

"Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it's the only thing that ever has." Margaret Mead

Community Builder Program

The Bradford West Gwillimbury & District Community Foundation was created in 2007. It is a locally run public foundation that builds and manages endowment funds to support local charities. The first community foundation was established in 1921 in Winnipeg. Today there are 170 foundations across Canada and their combined assets total more than \$2 billion dollars. In 2008, community foundations provided more than \$160 million in grants to organizations across Canada.

The Foundation provides the citizens of Bradford West Gwillimbury & District the opportunity to make financial gifts. The gifts are then invested and the returns support the unique needs of the community while creating a lasting legacy that keeps on giving.

Please join our Community Builder program to help us build an operating fund. Ongoing monthly donations will help us build awareness, attract more donors and support worthwhile community projects. All of this will let us expand our service to donors and local charities.

What you will receive:

- ◆ one convenient tax receipt at the end of the year
- ◆ easy automatic monthly payment method
- ◆ recognition on our website and in our annual report (you may choose to remain anonymous if you wish)
- ◆ invitations to all events hosted by Bradford West Gwillimbury & District Community Foundation
